To Our NGA Family:

Greetings from South Florida. We hope this communication finds each of you and your families in good health and happy spirits considering these unprecedented times.

After careful consideration, it is with great sadness that we have decided to cancel the 2020 NGA Universe and American Natural Championships in Coral Springs, Florida. The NGA Universe draws athletes from across the United States as well as the world. Due to the COVID-19 pandemic, all athletes across the world have not had an equal opportunity to prepare adequately for the elite NGA Universe. Additionally, South Florida continues to experience high positive cases. For these reasons, the final decision has been made to cancel.

NGA PRO Athletes that have qualified in 2019 and 2020 to enter the 2020 NGA PRO Universe will automatically qualify to enter 2021.

There have been, and we expect there will continue to be, a few shows here and there in counties where the Covid cases are low and public venues are not limited. For this reason, we have opened up the website to purchase memberships. We will not require NGA PROS to maintain their "pro status" as outlined in the NGA Bylaws until the pandemic is over and our show schedule is back to normal.

The NGA remains committed to providing excellence in Natural Bodybuilding shows and Personal Fitness Training Certifications. It is our hope that each of you take this time to do what you can to maintain your physical health and find ways to keep your minds healthy as well.

"In the rush to return to normal, use this time to consider which parts of normal are worth rushing back to." Unknown

We promise to maintain communication with you as this pandemic moves along, praying that we will see a positive end to all this chaos much more sooner than later. Until then, stay safe, stay fit, stay positive and most importantly, stay natural.

Naturally,

Andrew Bostinto
